Kids Helping Kids...and YOU Making a Difference!

Your generosity and support will create a memorable recreational experience for children and teens with cancer or blood disorders from the Upstate of South Carolina, western North Carolina, and Northeast Georgia. At Camp Courage, campers are free to play, laugh, explore, and grow in a normal, developmentally appropriate way. Trained counselors and volunteers help to nurture the campers' self-confidence and provide therapeutic opportunities for individual development. Staff of the Pediatric Hematology/Oncology Center, a facility of the Greenville Hospital System University Medical Center's Children's Hospital, provides 24-hour medical supervision while children are at Camp.
